*“At FH, I felt a sense of belonging and acceptance regardless of cultural differences.”*

We had incredible moments of laughter and joy while studying in most of our classes, like the English class with Mr. Crocco. During those moments, we learned some eye-opening lessons about the media and even social stereotypes.”

– Sonia

*“Don’t let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith and in purity.”*

When I joined FH International High School, I was not able to talk in English really well but FH teachers, like Miss Zahira (my math teacher), were always patiently there with me trying to understand what I wanted to say and helped me through anything I needed.
