

Math teacher

Future Hope Academy Christian School is a private, co-ed day, and Ministry of Education-inspected school offering the Ontario curriculum to Grades 7-12. We are looking for a part-time Math teacher to teach grades 7-12 Math courses for the 2025-2026 school year starting September 1, 2025. This position may lead to a permanent position if the candidate shows a high degree of job performance.

Responsibilities:

- Utilize differentiated instruction and collaborative inquiry to maximize student learning.
- Teach students about the structure and content of Mathematics
- Maintain a professional and positive learning environment to ensure success.
- Record, track and report student information such as grades, learning skills, attendance, and descriptive feedback.

Professional qualifications:

- Bachelor's Degree or Equivalent
- OCT preferred, with Senior qualifications.
- English native speaker.
- Experienced in the Ontario High School Math Curriculum.
- Experienced in course development with course binder.
- Preferred experience in preparing for Ontario high school inspection.
- At least 2-years-experience with working at a Ministry-inspected private School.
- Familiarity with the ZOOM platform, google classroom, and other classroom tools.
- Outgoing, dynamic, and fun personality and teaching style.
- Knowledge of the seven fundamental principles of assessment.
- Experience with international students is an asset.

Job Types: Part-time, Contract

Pay: \$20.00-\$32.00 per hour

Benefits: On-site parking

Schedule: Monday to Friday

Location: In-person

Spiritual qualifications

Employees of Future Hope Academy (FHA) must be practicing Christians. The employee will be a Christian role model in attitude, speech, and actions towards others and must:

- be a member in good standing at a Christian church that has a statement of faith that concurs with the Future Hope Academy Statement of Faith (found at <https://www.futurehopeacademy.com/statements-of-faith/>).
- be in full agreement with Future Hope Academy's Statement of Faith.

Application process

Please submit:

- a cover letter and include how your faith influences you both personally and professionally.
- a resume including any missions and ministry experience.
- reference letters, 2 professional, 1 pastoral, and 1 personal.
- copies of diplomas and certifications.
- Successful candidates must provide a satisfactory Criminal Background Check prior to commencing employment.

Deadline: July 31, 2025

Format: submit electronic documents to hr@futurehopeacademy.com with the title "High School Math teacher"

While all applicants are thanked for their interest, only those chosen for interviews will be contacted.
